ISLP News April 2018

The International Statistical Poster Competition is on-going, and will continue until March 2019. Students around the world are invited to tell a story with statistical methods, and present their research process and results in a poster. The competition includes three categories: lower and upper secondary schools, and universities. For more information please see the [ISLP website](#).

Other News

2018 Joint Statistical Meetings and ISI Participation

The Joint Statistical Meetings (JSM) are one of the largest statistical events in the world. Held each year, JSM attracts more than 6,000 attendees from 52 countries. This year's JSM will be held in Vancouver, Canada, from 29 July through 2 August. [More>>](#)
