Publications

Wiley

Thinking of publishing a paper? Choose OnlineOpen for the widest dissemination of your research. By submitting to the [International Statistical Review](#) you can make your research immediately freely available to everyone. Simply choose to make your paper open access with OnlineOpen. The Article Publication Charge is \$3,900 and, in some cases, can be covered by your institution or funder under one of Wiley's funder agreements. Further information can be found [here](#). [Stat](#), [Environmetrics](#) and [Applied Stochastic Models in Business and Industry](#) all offer OnlineOpen publishing options, too.
