Read about the main events of the WSC including some facts and figures. [More>>](#)

ISI 2017: Focus on Statistical Innovations

What sort of ethical issues arise from Big Data? What is the role of web scrapers in data collection for the compilation of official statistics? Which indicators are relevant in policy making? These and many other topics were discussed during the 61st ISI WSC in Marrakech. Among the attendants was a Statistics Netherlands (CBS) delegation. [More>>](#)
