- Portuguese stamps designed for the 2013 International Year of Statistics win an award. [More>>](#)

Bernoulli Society News July 2014

- New Publications Committee Chair: The present Bernoulli Society Publications Committee (PubCom) Chair Professor Eulalia Vares has to step down early, because she is to become Chief Editor of Annals of Probability at the start of 2015 - a very high honour. Her successor from (1st October 2014) will be Professor Thomas Mikosch. The business of Bernoulli PubCom is extensive, and key to the operations of Bernoulli Society; we are very grateful to both for their willing and able service.
- Two new sponsored meetings: Bernoulli Society has agreed to sponsor two scientific meetings, namely the [UK Probability Meeting](#) 2014, Imperial College, London, UK, September 15-19, 2014, and the [International conference on extreme value analysis \(EVA\)](#) at the University of Michigan, Ann Arbor, Michigan, USA, June 15-19, 2015.

IAOS News July 2014

- IAOS 14 - Da Nang, Vietnam 10-12 October. The conference programme is available [here](#). A total of 8 plenary sessions and 20 parallel sessions, all rich in contents, will take place over three days. For more information on registration see [IAOS Registration](#).
- [Statistical Journal of the IAOS](#) (SJIAOS) - June 2014: The latest issue is now available and open to all. The issue includes an interview with [Lars Thygesen](#) from Denmark on the early days of the still growing modern Census movement. Other articles this quarter focus on data access.

IASC News July 2014

- The [8th International Symposium on PLS and Related Methods \(PLS'14\)](#) took place in Paris. IASC co-sponsored the event, which had 190 participants from 29 countries. [More>>](#)
