

Dear Members,

You are invited to visit the [ISI website](#) to read news on the following:

ISI Launches Its New Website

Today, on World Statistics Day, we are pleased to announce the launch of our new website! ISI's goal with this new site is to provide ISI and Association members and the worldwide statistical community with an easier way to learn about the ISI family, what we do and how to get involved. We hope you find the new website has a fresh look, is easy to use and is informative.
